Self-Employment Income Calculations

This guidance will assist you in calculating the amount to report if you engage in farming, are self-employed or have income from other sources.

Self-employed persons may use income tax records for the preceding calendar year as a base to project the current year's net income, unless the current monthly income provides a more accurate measure. Report income derived from the business venture less operating costs incurred in the generation of that income. Deductions for personal expenses such as interest on home payments, medical expenses, and other similar non-business deductions are not allowed in reducing gross business income. Additional income from other kinds of employment must be treated as separate and apart from the income generated or lost from your business venture. For example, if you operated a business at a net loss, but held additional employment for which a salary was received, the income for purposes of applying for reduced price or free meals would be the income from the salary only. The loss from the business cannot be deducted from a positive income earned in other employment. For purposes of this application, it is not possible to report a negative income from any business venture. The least income possible is zero (no income). The necessary information for arriving at allowable income from private business operation may be taken from your most recent U.S. Individual Income Tax Return - Form 1040 or 1040-SR and Schedule 1. Add together the amounts reported on the following lines:

Capital Gain or (Loss) Form 1040 or 1040-SR,LINE 7	\$
Business Income or (Loss) Schedule 1 Part 1, LINE 3	\$
Other Gains or (Losses) Schedule 1 Part 1, LINE 4	\$
Rental real estate, royalties, partnerships, S corporations, trusts, etc. Schedule 1 Part 1, LINE 5	\$
Farm Income or (Loss) Schedule 1 Part 1, LINE 6	\$
	TOTAL \$Gross Annual Income Before Any Deductions.

Computed Monthly Income \$_____(Gross Annual Income + 12 = Computed Monthly Income.)

The computed monthly income should be reported in Step 3 on the Application for Free and Reduced Price School Meals under All Other Income.
