

# 2020 Corner Conference Fall Activities Guidance

## General Guidelines:

- If families are sitting together at fall events, it is not required to wear their masks, but should socially distance from others outside of their family.
- Game announcers will give frequent reminders of the COVID-19 guidelines during events.
- All spectators are responsible for screening their own health before attending events. If you feel sick, please stay home.

## Volleyball Information:

- During all JH, JV, and Varsity volleyball games, **masks are required for all spectators entering the building, exiting the building and when moving about.** Spectators can remove their mask when they maintain social distancing while seated in the stands.
- The first two rows will not be available for spectator seating. Areas will be marked off in each gym where seating is not allowed.
- The conference is limiting attendance at volleyball games. Each coach and player will receive 6 tickets at the beginning of the season. No conference passes will be issued.
- These 6 tickets are distributed by the players to the spectators they invite. The same tickets will be used at all games, therefore players will collect and re-issue as needed.
- All spectators must have a ticket to get into the game. The ticket will be presented upon entering and spectators will pay the following admission fees:
  - \$3 for all JH/JV games; \$5 for all JV/V games
  - Exact change is highly recommended and spectators will follow social distancing when waiting in line.

## Cross Country

Please see link below for Cross Country Guidance from IAHSAA and IGHSAA.

- Each host school will have more specific guidance that will be communicated and shared with schools competing in meets.
